

EDUCATION REPORT FOR CHILD IN CARE REVIEW

Please find attached a short report for completion by the CIC Designated Teacher prior to a Child in Care Review meeting to be held on:

Date: Date of review
Regarding: Child's name

The purpose of the report is to gather up to date information on the child's progress in school and to highlight any current issues. It does not replace the P.E.P, which should still be updated every 6 months.

Each child or young person in Halton has a named Independent Reviewing Manager (IRM) who takes responsibility for that child and can be contacted regarding the Review on **IRM's phone number** if a discussion is needed. The IRM for this child is **IRM's name**.

Halton aims to keep Reviews small and informal in order to encourage the child/young person's attendance. An educational representative will only be invited therefore, when there is a significant educational issue to discuss. The Education Report should be completed in all circumstances. Please let us know if you would like to attend a Review and have not been invited.

The completed report is required by: Date required

Thank you for your co-operation in this matter.

Please return this form to Tracey Dace electronically to tracey.dace@halton.gov.uk or via post to the Children's Safeguarding Unit, 3rd Floor, Rutland House, Runcorn, Cheshire, WA7 2WD.
