Sexual Violence Awareness Course

St Mary's Centre

Sexual Assault Referral Centre

"It was full of content, very informative & the services available if ever needed are brilliant"

"We are an early years setting & it was shocking to find that 43% of cases involved children under 16. It has given myself & my safeguarding person a more informed knowledge of the effect on the victims & where we can sign post them to"

We are delighted to announce the further scheduling of four Web course sessions facilitated by professionals from RASASC and SARC. They are highly motivated towards raising society's awareness of the prevalence and consequences of sexual violence as well as helping to challenge common myths and unhelpful perceptions. Feedback on these courses has been tremendous.

These courses are scheduled to be delivered 09:30 –12:30 online via Teams on the following dates;

June 8th 2021, 15th Sept, Dec 1st & March 7th 2022.
